

GO BEHIND THE SCENES AT THE WARSTEINER BREWERY

Visitor train

The Warsteiner brewery in the Arnsberg Forest Nature Park, one of the most modern breweries in Europe, was designed as a **visitor-friendly brewery**. After all, if you pour your heart and soul into brewing a premium Pilsner, you don't mind people watching your work.

The brewery tour starts in the Warsteiner brand exhibition with over 200 exciting exhibits from more than 270 years of brewing tradition.

You will then enter the unique **360° multimedia theatre**, in which you are told everything you need to know about Germany's love affair with beer and the history of the Warsteiner brewery.
